

Ref# 20OPP130R1

**1 - Full Time - Ultrasound Technologist
Diagnostic Imaging - Ultrasound**

This position is a repost. Any previous applicants are required to resubmit their resumes.

Reporting to the Charge Technologist, the Ultrasound Technologist performs medical imaging procedures to aid in patient diagnosis or treatment within the regulatory standards of practice. Assists the Radiologist during diagnostic procedures. Assesses the patient's condition prior to, during and after procedures, recognizing the conditions requiring immediate attention and initiating a response. Documents procedures and maintains accurate records. Observes and understands hospital and departmental policies and procedures. Maintains and protects patient confidentiality and safety. Performs other duties related to the job classification, as required.

Qualifications:

- * Registered with the ARDMS or Sonography Canada in general sonography
- * Must have graduated from a recognized college program in general diagnostic medical sonography
- * A minimum of 1 year experience and additional training in vascular & carotid studies will be given preference
- * Vascular Credentials would be an asset
- * Eligibility for registration with CMRTO (College of Medical Radiation Technologist of Ontario) will be considered

Salary Range: \$32.430 to 44.780

The Health Sciences Centre strives to ensure the safety and security of the patients, visitors, employees and assets financial and otherwise. As one tool in the recruitment screening process, all offers of employment to external candidates shall be conditional upon a satisfactory Vulnerable Sector Check (VSC) to ensure the absence of relevant criminal convictions.

The Health Sciences Centre (HSC) is committed to delivering healthcare in a manner that is consistent with Patient and Family Centred Care. Applicants are required to have a demonstrated knowledge, understanding and commitment to this care philosophy.

Candidates will have demonstrated adherence to the Hospital's Code of Conduct. Regular attendance at work is imperative, therefore, all applicants will have to demonstrate a good attendance record to be considered for this position.

We are committed to fostering an inclusive, equitable, and accessible environment supporting diversity in our work environment to provide quality care where all feel valued, respected, and supported. We are dedicated to building a workforce reflective of the communities in which we live and serve and encourage Indigenous people, visible minorities, and persons with disabilities to apply and self-identify. Upon request, accommodations due to a disability are available throughout the selection process. Additionally we are identified as an English/French speaking health sciences centre and encourage bilingual candidates to apply.

If there are no qualified applicants for the above position, the Hospital may, at their discretion, train unqualified individuals.

Interested applicants must submit a resume outlining relative previous experience and training no later than 11:59p.m. on **October 31, 2020**.

Internal applicants may apply via the job posting page on the iNtranet. **External** applicants must apply through our website.
